

INCLEMENT WEATHER POLICY

Rockbridge Regional Library System will keep all branches open as much as possible with consideration for the safety of patrons and staff.

System branches will close when the branch manager or manager on duty deems it necessary to close. Branch managers will use local sources and the Virginia Department of Transportation where possible. The Library Director, branch staff and Extension Services will be notified as quickly as possible by phone or text.

Local radio and television stations will be notified of any unscheduled closings. Closings will be added to the library's website and telephone answering systems barring power outages.

Cancelled programs will be rescheduled when possible.

Approved by the Library Board of Trustees, November 14, 2013
